

Project and Program Governance Workshop (ER-GOV)

Duration: Customized
(0,5 –1 day, 4 – 8 hours, 4 – 8 PDUs)
Classroom (ILT) or Remote/Virtual (VCT)

AFTER THE WORKSHOP YOU WILL

- ❖ Better understand what the Steering Groups, Project Sponsor, and the Core 3 team, need to do to achieve good project governance and support
- ❖ Better understand how to make use of the Steering Groups, the project and program reports tools, the project KPIs, etc to guarantee project and program success.

WORKSHOP METHOD

The workshop is customized to each occasion.

The duration can be 4-8 hours, and be delivered in 2-4 hour modules if virtual. In the class-room case, the duration is typically 4-8 hours

TARGET GROUP

- ❖ Steering Group members
- ❖ Project Sponsors
- ❖ Program and Project managers
- ❖ Directors, Account Managers
- ❖ Core 3 Team members (ACR, CSR, CFR)
- ❖ Line managers and PMO Managers
- ❖ Project portfolio managers

Projects and Programs need good Governance to ensure the best goal fulfillment - performance.

That can be ensured with the best sponsorship, steering groups, core 3 teams, support from line managers and appropriate program & project management – especially from governance, risk and financial management points of view.

In this workshop theory and practice is mixed with debates to help you to implement better project and program governance.

The workshop is customized to Ericsson.
