

INTRODUCTION TO PMO MANAGEMENT (ER-PMO INTRO) Virtual (VCT): 4 hours, 4 PDUs

More and more organizations realize the importance of establishing one or several Project Management Offices (PMOs).

In this course you will learn what a PMO is, how it can be improved and how the PMO can contribute to creating a better Project Culture your organization.

Project success must be repeated!

AFTER THE COURSE YOU WILL

- ❖ Know what a PMO is and how it can be improved
- ❖ Know the main reasons for its existence
- ❖ Know the GreenlightPM PMO model (*), and how it can be used for a step by step establishment of a PMO in your organization

(**) The GreenlightPM PMO Model is based on real hands-on experience and is in line with the Project Management Institute (PMI)[®] standards for Project Management, Program Management and Portfolio Management.*

TRAINING METHODS

This is a Virtual Class Training.

The trainer will share with the participants' experiences and good practices from real PMOs that he has been managed personally, as Project Office Manager, and as consultant.

Optional: Combine with the book GPMM 3.0 Enterprise Edition

PREREQUISITES

Experience and/or knowledge from large projects, programs, PMO Management or project portfolio management is recommended.
